### From Him to Her

A very Famous Love Letter by Napoleone Bonaparte, 1795

I wake filled with thoughts of you. Your portrait and the intoxicating evening which we spent yesterday have left my senses in turmoil. Sweet, incomparable Josephine, what a strange effect you have on my heart! Are you angry? Do I see you looking sad? Are you worried?... My soul aches with sorrow, and there can be no rest for you lover; but is there still more in store for me when, yielding to the profound feelings which overwhelm me, I draw from your lips, from your heart a love which consumes me with fire? Ah! it was last night that I fully realized how false an image of you your portrait gives!

You are leaving at noon; I shall see you in three hours.

Until then, mio dolce amor, a thousand kisses; but give me none in return, for they set my blood on fire.

## Love Letters

You are the man, who has brought back, all the joy and happiness in my life, which I'd been missing till now, you are the one who has made me feel complete and made all my dreams come true, when I think of how life was before you I shudder, and realize that god in his infinite wisdom led you to me and has made my life a better place. Thank you for being who you are and being by my side through thick and thin. I Love you and I am yours for now right until forever.
